We hope that everyone has enjoyed their year so far with ABRA. Finals entries are due by our last show on 10/2/16. All finalists are encouraged to enter the Open 5D class at the finals - even if they have not entered at all during the year. A finalist may enter more than one horse and the same horse can be ridden by multiple riders (unique horse/rider combination). Additional late entries will be accepted for the Open 5D ONLY by October 29th, but they MUST have entered the finals by the deadline of October 2nd, 2016. We will have a photographer and announcer at our finals this year. There is no specific dress code, although we ask everyone to dress appropriately.

May all of you take a sense of pride in your organization and join us again next year. Let us know of your likes and dislikes. We continually review feedback from our participants. ABRA is here for it's members! Send emails to info@laabra.com, message us on FB or call (337)288-5374 or (337)280-9349.

Good luck to everyone at the finals! 2016 ABRA Board of Directors
