

ABRA RULE BOOK - YEAR 2020 REV(1)

ARTICLE VIII

GENERAL CONTEST RULES

1. All spectators, participants, members and all other persons taking part in any event connected with ABRA should understand the Association's involvement with any competition or event is merely organizational. ABRA is not responsible for any animals, competitor's equipment, portions of the arena and/or any portion of the event site. As with any competition, certain rules and regulations must be enforced in order to preserve the organization of the event so all participants, spectators and other persons can enjoy the event as is the intent of all of us.
2. Contest rules will be adopted by the Board of Directors and set forth in a document entitled "ABRA RULE BOOK".
3. A printed copy of the "ABRA RULE BOOK" may be requested by a member at the time membership is obtained. It will be available online to everyone on ABRA's website.
4. Rules may be changed from time to time by majority vote of the Board of Directors.
5. All members, participants, contestants and other persons taking part in the event do so at their own risk and should understand they are responsible for the care, inspection, custody and control of the animal, the equipment and all other aspects of the event, including the area where the event will take place. Any inspection and/or check for dangerous conditions should be made by the participant prior to participation in the event.
6. The ABRA is not in any way responsible for any of the facilities used either by participants and/or spectators. Any complaints or observations regarding the arena should be addressed with the arena personnel as soon as possible.
7. The decisions of the Arena Director or his/her designee are final. ABRA will not tolerate any verbal disputes at the announcer's desk during the show. If there is a question concerning a ruling, a written grievance may be submitted to: info@laabra.com or mailed to ABRA, 385 Prairie Rd. N, Franklin, LA 70538.
8. Members, non-members, participants or persons representing said individuals (parents, spouse, sibling, etc) are expected to conduct themselves in a sportsmanlike fashion at all times while participating in an ABRA sponsored event. Failure to do so may result in disqualification, loss of points, a monetary fine, or dismissal from the Association. ABRA's Board of Directors will make that decision by a majority vote and will inform the individual of the final decision in writing.
9. Excessive whipping or other cruelty toward the horse will not be tolerated.
10. Memberships available for the 2020 season are: a) Individual - \$35.00 and b) Family \$65.00. "Family" is defined as a mother/father and their children, age eighteen and under. Children age nineteen (19) or older must have their own membership. Age is determined as of January 1st of the current competition year. Non-competing board members will be given a complimentary membership.
11. When ABRA sponsors a barrel race sanctioned by another organization the rules of the sanctioning organization will be followed. In the event something occurs for which the other organization has no specific rule, ABRA rules will prevail.

12. **Boots must be worn by all riders.** No other kind of foot covering will be allowed. It is requested each participant dress neatly and appropriately for the event. **NO SPAGHETTI STRAP OR HALTER TOP SHIRTS!!!**
13. Electric timers will be used at all shows. In case of total electrical failure, the entire class will re-run and stopwatches will be used.
14. In case of a timer malfunction, the rider will be given a re-ride. Penalties incurred during the first run will NOT be carried over to the re-ride. If you hit a barrel or poll on your re-ride, you will receive the 5 sec penalty per hit.
15. In the event stop watches are used, a designee will utilize one (1) stopwatch while seated at the clock.
16. The alleyways will remain clear except when tractor is in motion during a drag. Failure to abide by this rule can result in disqualification, loss of points, a monetary fine, or dismissal from the Association. Parents must monitor their children to ensure that they are staying clear of the alleyway when it is not their turn to ride.
17. Entering the ARENA: A contestant will have (3) calls to cross the plane of the arena and start the pattern. The 3rd call will be the final call and result in a no time.
18. A rider is responsible for his/her own riding equipment. There will be no re-rides because of equipment failure.
19. Any rider, who is found to be illegally entering a horse or riding a horse in a class in which the horse does not qualify, will be fined two hundred dollars (\$200.00), plus any money won. The rider **will lose all points in ALL CLASSES** up through the date of discovery and will not be allowed to ride any ABRA jackpot shows until the fine has been paid in full. **An inquiry can be submitted to any Board Member, emailed to info@laabra.com or mailed to the President, ABRA, 385 Prairie Rd N, Franklin, LA notifying the Board of a rider/horse illegally entered. A fee of \$25 is required for any inquiry. If information obtained results in a fine for the offender, an award of \$50 will be given to the individual that submitted the inquiry. Inquiries will be kept anonymous.
20. In the event a rider's novice horse should die during the year, points may be transferred to another horse that qualifies for the same novice class. A written statement from a veterinarian must accompany this request and the rider should notify the President or Vice President of ABRA before the next point show.
21. Points are kept on each horse/rider team in the Novice Horse Classes. Points are kept on the rider in age division classes (see rule #33). Points are kept on members only. Contestants begin accumulating points and participation after an ABRA membership has been purchased.
22. A point system will be utilized to determine year-end standings for novice, age division barrels and pole classes. One (1) point will be awarded for each entry in the class. Example: 20 entries in a class - 1st place = 20 points, 2nd place = 19 points and so on, with 20th place receiving 1 point. Exception: 8 & Under Lead in – see rule #33. Results and current point standings will be available at each show and on the ABRA website.
23. Books will close for the draw promptly **30 minutes prior to show start. There will be no money refunded after the books close.** A rider may scratch a horse after the books are closed by reporting

to the sign up desk. LATE ENTRIES WILL BE ACCEPTED for the Open 5D Barrels until rider #50 - Late entries will be accepted until the first horse in the class entered runs for all other classes. Late entries will be placed at the bottom of the draw. ** NO ENTRIES WILL BE TAKEN AFTER THESE DEADLINES HAVE PASSED.

24. Running positions for each class will be drawn 30min before the class starts. You must pre-enter online to be put in the draw. Pole classes will need to be paid in full 30min before the Open Pole class starts. Barrel classes will have to be paid in full before the 1st 8 & Under/Special Needs class starts. Any entry's not paid by listed times will be deleted and you will need to enter at the show and be put out of the draw. Riders must run each horse in drawn position. There will be no changing of draw positions unless ABRA finds an error on their part. The arena announcer will announce the running order of each class prior to the running of the class. It is the responsibility of riders to check the running orders and promptly notify the entry desk of any errors. **Please do not disturb the timer or announcer for this information**. If a rider has two horses entered in the same class, the first horse will be the points horse in all age or open division classes. If a rider, who enters a class before the close of the draw, is accidentally left out of the draw, the rider will be entered at the end of the draw before the late entries.
25. There will be \$10.00 added to the entry fees of any non-member rider. Non-members, who only want to exhibition, do not have to pay the non-member fee or pen fee.
26. There will be a pen fee of \$8.00 per rider, not per horse. Riders entering exhibition only will not be charged a pen fee.
27. The barrel pattern will be a minimum of fifteen feet (15') from the fence. Distances between the barrels will be according to the arena size. During pre-show exhibitions and Eight & Under Beginner barrels, the barrels may be placed off the pattern used for the show. Contestants MAY touch or hold a barrel upright to keep the barrel from falling over.
28. There will be a "no time" issued to any horse and rider who breaks the regulation barrel pattern. Breaking the regulation barrel pattern consists of, but is not limited to, going around the wrong side of the barrel, going around the wrong barrel, or circling the barrel more than once. Breaking the time line before the pattern is complete will also result in a "no time".
29. The pole pattern will be according to AQHA rules. Contestants ARE allowed to hold the poles upright and/or keep them from falling over.
30. There will be a "no time" issued to any horse and rider who breaks the regulation pole pattern. Breaking of the pole pattern consists of, but is not limited to, going on the wrong side of the pole, around the wrong pole, circling a pole more than once, or breaking the time line before the pattern is complete.
31. There will be a five (5) second penalty for any barrel or pole knocked over. This includes barrels and poles that are turned completely, touching the ground and coming back upright. A knocked over barrel will result in a no-time for Open 5D purposes only. All times rolled over will incur the penalty.
32. With the exception of the Open 5D and 8 & Under Beginner & Special Needs Barrel Class, all classes are jackpotted with ABRA retaining \$5.00 per entry. 8 & Under Beginner & Special Needs riders will receive \$1 back regardless of placing.
